Let's play Architecture Bingo!

B I N G O

Test your observation skills.

Age: 14+
Players: 2+

Contents

6 player cards (A, B, C, D, E, F)
Each card contains 24 image boxes, organized in a 5x5 grid, with words describing images.

Suggested Supplies

Pen, pencil, or highlighter to mark words after you find them
Clipboard to support your printed player card during the adventure

Bingo Rules

1. Players may use one or more player cards, but competing players must use different cards.
2. Print out the player cards for each player.
3. Set a time limit for the game or take as long as you need.
4. Seek and find the topics listed under each image on your next adventure around the city.
5. Each card contains a center box marked "Free" for an automatic answer.
6. When a player completes a vertical, horizontal, or diagonal line across the card, the player yells "Bingo!" and wins the game.
7. The winning prize, if any, is chosen in advance of the game by the competing players.

Blackout Bingo Rules

1. Follow the Bingo Rules per above.
2. When a player completes all the boxes on the card, the player yells "Bingo!" and wins the game.

When you get home, look up the definition of any unfamiliar words. Post a photo of the winning card on social media and let us know your thoughts. Don't forget to tag us @DistrictArchCenter. Have fun on your next adventure!
