

Design Like a Girl & Washington Architectural Foundation-
Virtual Workshop: Exercise 02

LANDSCAPE ARCHITECTURE

**WHAT YOU
WILL LEARN**

WHAT TO DO

You will visit many areas near the National Mall that have been designed by Landscape Architects.

Tour. Take the various virtual tours around Washington DC

Identify. Which sites have you visited in person? Which ones are new to you?

Be CREATIVE!

- + Select two sites from these tours.
- + Analyze each space.
 - What type of landscaped spaces are they? (see the Typologies in Exercise 01)
 - What elements are used in the spaces? (see the Elements & Terminology in Exercise 01)
 - How does the landscape contribute to the experience of the space?
 - Draw a plan, section or other drawings showing how you would redesign the spaces you selected
- + What Fun Fact did you learn about the sites you selected?
